Dear NASCAR Civil Air Terminal User:

The Delaware River & Bay Authority welcomes your planned arrival for the upcoming NASCAR race events scheduled June 1st, 2nd and 3rd at the Dover International Speedway. The Dover Air Force Base (KDOV) requires the issuance of a Prior Permission Control Number and adherence to the **Mandatory Enhanced Security Procedures (MESP)** prior to your arrival. Adherence to the MESP in addition to guidelines established by the Transportation Security Administration will ensure the safety of your passengers into Dover. Please visit the Civil Air Terminal's website at www.catatdover.com for all required arrival documents. Issuance of a PPR for landing at the Dover Air Force Base may be obtained by faxing arrival documents to **(302) 736-3673**, or by e-mailing **dov-cat@drba.net** with the aircraft's arrival information. **YOU HAVE NOT BEEN ISSUED A PPR UNTIL YOU RECEIVE A CONFIRMATION VIA PHONE OR EMAIL.** Instrument Approach Procedures for Dover Air Force Base are available for download on www.fltplan.com or www.Airnav.com. If you have any questions, please contact staff at (302) 736-6614.

Ground handling and fueling services will be provided by Atlantic Aviation, ILG. A schedule of Atlantic's handling fees and minimum fuel purchase is attached. For questions regarding aircraft services, please contact them directly at (302) 328-9695. There is an assessed airport landing fee of \$75 that will be collected by the FBO. As a reminder, the Authority's general aviation airport; Delaware Airpark (33N) is available as a public-use alternative with no prior permission requirements. We look forward to your arrival and being of service to you!

Sincerely Yours,

Todd Gressick

**DOVER AIR FORCE BASE
MANDATORY ENHANCED SECURITY PROCEDURES**

In order to ensure a practical level of security at the Dover Civil Air Terminal and associated facilities located on the Dover Air Force base, the Air Force requires all civilian aircraft comply with the following Mandatory Enhanced Security Procedures (MESP). Failure to comply with the established MESP procedures will result in denial to land at the Dover Air Force base.

Mandatory 72-hour Prior Permission Required (PPR) – Aircraft will be issued a PPR control number for landing approval by calling (302) 736-6614. Aircraft will not be permitted to land without a control number. Change in arrival information must be reported to Dover Civil Air Terminal staff prior to departure for Dover Air Force base.

Pilots must perform a comprehensive aircraft security check prior to departure for Dover Air Force base to insure that no weapons, explosives, or other hazardous materials (Biological/Chemical/ Nuclear) are on board

The Pilot-in-Command of aircraft using the Dover Civil Air Terminal is responsible for positively identifying passengers and baggage, prior to arrival and departure from Dover Air Force base

Civilian aircraft are not permitted to land or take-off on Runway 14

Prior to using the Civil Air Terminal, all pilots and crew will be briefed and provided with a copy of the MESP

If there are any questions concerning the MESP, please contact the Dover Civil Air Terminal at (302) 736-6614
